Daniel has followed in the footsteps of his father and grandfather as the third generation in the commercial real estate industry. He began his career in real estate in 2014 as an intern learning the business from the ground up. His enthusiasm, energy, and focus have made him a valuable member of the Pinnacle team. A graduate of The Pennsylvania State University, Danny successfully applies his business, communications, and technology skills to provide his clients with real-time market-specific information and the highest level of professional service.
