Property Overview

Pinnacle Realty Of New York, LLC is pleased to announce that it has been appointed the exclusive agent to facilitate the leasing or sale of 151-11 6th Road Whitestone, NY. This ideally located 125,000 sq. ft. waterfront industrial parcel of land, with 79,000 sq. ft. of riparian water rights is nestled between the Whitestone and Throgs Neck bridges, which provides convenient access to major routes serving the boroughs of NYC and the tri-state metropolitan area. In addition, the site benefits from its easy access to LaGuardia and JFK airports.

This rare Industrial outdoor storage parcel is located in an M1-1 zoning district, which allows for up to 125,000 sq. ft. of industrial / Commercial development as-of-right. This generously sized, multi-accessible and waterfront parcel offers users/developers a unique development opportunity.

Premier Water, Railroad & Roadway Accessibility

ACCESS TO PORTS: The Port of New York and New Jersey is located just across the water from Queens, positioning the site in a key hub for shipping and logistics companies. In addition to this major port, New York Terminals include Redhook Container Terminal, and GCT New York Terminal. New Jersey Ports include GCT Bayonne Terminal, Port Newark Container Terminal, Maher Terminal, and APM Terminal.

ACCESS TO ROADWAYS: Less than one mile from the Throgs Neck Bridge and two miles from the Whitestone Bridge, the Site benefits from premier access to major local and interstate thoroughfares, including Francis Lewis Boulevard, the Cross Island Parkway, and Interstates 287, 295, 678, & 495.

ACCESS TO MARKETS: Queens is located in close proximity to several major markets, including New York City, Long Island, Connecticut and New Jersey, making it an ideal location for freight and distribution companies.

AIR CARGO FREIGHT INFRASTRUCTURE: The borough is served by several major transportation hubs, including JFK International Airport, LaGuardia Airport, and Newark International Airport, providing freight companies with convenient regional, national and global access.
